PRESIDENTS WELCOME

Welcome to our new A grade and club coach Chris (Cazza) Caswell. Cazza brings a modern and fresh coaching approach and we're looking forward to his involvement and work with our senior playing group and his experience in developing our junior athletes into their senior pathways.

Norths Cricket Club has over the years made player development a major focus. Chris, along with our senior captains, have all played a huge role in the talented group of youth cricketers now participating in our senior ranks.

Club grown talent and development is what Norths is all about:

Gareth Sim, Travis Busch, Zack Myles, Ryan McCarron, Kai Adami, Zak Adami, Cody Sadler, Connor Sadler, Jarrad Camer, Adam Camer- these boys have all come through our junior pathway system transitioning into senior cricket with the encouragement and support of our senior players.

I'd like to thank Chris Stanger, Keegan Morrish, Zack Myles and Rhi Heyboer for coming on board again this year as our A grade, Reserve grade, 3rd grade and Ladies captains. Their honesty, inclusivity and professionalism is a huge reason why Norths cricket club have been successful over the past seasons.

A huge welcome from the North's family to our first ever 12 & under girls only team, to be led by Rhi as a first time coach. If you have daughters or family friends eligible to play in the side please let Rhi or Michelle Deyes (New Junior Registrar) know.

I would like to thank the outgoing committee members for their tireless donation of time and efforts. Welcome to all those appointed to our new junior & senior committee for the 2024/25 season. We look forward to the wonderful year ahead.

Please watch this space for the announcement of our new Colts coach who will be working closely with Chris Caswell in their development and transition into senior cricket.

COACH'S CORNER

CHRIS CASWELL

"Welcome to a new season which I'm sure will be a great one for Northies! After assisting Wade with the coaching last year, he has handed the reins to me as he steps into the club president role. I'd like to acknowledge the fantastic position Wade has progressed the club too and also thank Bing for his countless hours as President, along with all other committee members.

I'm excited for what the year ahead may bring. This club is built on good people- across both our juniors and seniors, this combined with the standards we hold each other to make me confident of success in all grades! Good luck to you all and go Norths!"
